Increment to certain teachers of the Maharani Girls' School

Endorsed

GPB—10 000—2. 8 13

Note 1:62)

Savings indicated under Resolution VII of the Committee Proceedings of the 6th May 1899 are Rs 194

Out of this Rs 60 (by 5 Rs) rising to R.P. the pay of Manganma, was met The balance available will therefore be 194-0-0 - 60-0 = 134 or 1/2 after 2 years

From this Rs 25 will have to be met on account of increments to be given to some of the most deserving lower class teachers who have had no promotion from a long time

(Please see Resolution 5 of Govt's letter No 9549/334 of the 26th May 1899

(3) The cost involved in the proposed appointments of certain pupils of the Maharaja Govt's Schools (vide Govt's letter No 9823/341 of 3/6/99 will be Rs 140 To meet this the Savings which will be available out of Rs 194, will not be sufficient

Rs 140 - 25 + 140 = 140

Subd. to Secy. 4

The figures given by the Secy. in the margin of the Agee note seem to require some slight alteration The pay of Ganga Ram Rs 12- is included in the Savings of Rs. 194 shown in para 2 of the Committee's Proposal The amount required is therefore 25 + 140 = 165

The excess is Rs. 31.

In file III there is another proposal which seems to deserve favourable consideration viz the increase of Quadrangle Mai Nag pour Rs 50 to Rs 75. The teachers of the IV class have been favourably reported upon - The conditional grant of the aforesaid increase was practically settled long ago (Vide SL No 63) -

24-7-99

Mr Malhara Rao has been working satisfactorily and his work and conduct generally have been reported to be very good. He is in receipt of Rs 300 per mensem and is entitled to draw the next increment of Rs 25 on 1st Feb 99. He is in the time scale of pay of Rs 250-10-300-15-450 and is a graduate. He is in charge of the Maharani Girls School, Mysore. He is in the time scale of pay of Rs 250-10-300-15-450 and is a graduate. He is in charge of the Maharani Girls School, Mysore.

Mr S Malhara Rao has been working satisfactorily and his work and conduct generally have been reported to be very good. He is in receipt of Rs 300 per mensem and is entitled to draw the next increment of Rs 25 on 1st Feb 99

or permanent has been reserved for consideration along with the reversion scheme of the lower classes of Edl officers which is still pending.

On the other hand if we take the Maharani Girls School alone into consideration, the Malhara Rao's transfer has added temporarily Rs 300 to the Establishment charges of that school from 30th May 1899 on which date Malhara Rao entered upon his duties as Hd master. In this view the details of additional charges in the Maharani girls school as involved in the issue of sals will be as follows

(1) Mr S Malhara Rao's temporary transfer as Hd master of the Maharani Girls' school	Rs 300	(sanctioned)	No source was pointed out by the D.I. how this is to be met
(2) Increase of pay to certain masters of the Maharani Girls school (proposed in D.I. letter No 9549/334 D 26.5.99	25	(Pending)	To be met from the savings of Rs 194 shown under Resolution VII of 6.5.99
(3) Appointments of certain widows as additional teachers in the Maharani Girls school fund (Proc 2nd mg. letter No 9823/344 D 3/6/99	140	(Pending)	No source has been pointed out by the D.I. But some portion of the savings (Rs 194) will be available after (2 & 4) are deducted
(4) Manjammahs appointment as music teacher	60 - 5/1 - 75	(Sanctioned)	Was met from the savings of Rs 194
Total	525 or 540 after 3 years		(300 Rs out of 525 Rs only temporary)

Against this additional charge there is shown a saving of Rs 194 leaving out of consideration the temporary charge involved in the transfer of Mr Malhara Rao, we have an addition of Rs 225 which exceeds the savings 194 only by Rs 31 Submitted for orders

If we leave out the Malhar Rao's Nos, the add'l charge would be Rs 31.

Properly speaking Mr Malhar Rao's Nos is also an add'l charge but Rs has become necessary under un-avoidable circumstances.

The Com have made the postponement on the assumption that there are some 2 cases the add'l chs — we may point out that the chs and the cases as shown above & that no witness today intimated the case of Mr 300 Rs the fees of Mr Malhar Rao have not been paid. Under these circumstances can we not ask Mr Malhar Rao to "it" as it was to keep the chs with the cases

RD 11/7/99

Brought forward 12-7-99 [illegible]

Subject Secretary. I am sorry that the paper was delayed as the Ed Clerk was busy with the Budgets. I have re-written the draft & submit herewith. My doubt is whether the added charges proposed in the Dy Chs letter No. 9823/344 dt 3rd June/99 are properly debitable to the Savings in the Maharanis girls' School.

22/7/99.

Yes.

There is apparently some confusion in this matter.

The savings effected amount to Rs 194-/ (File marked I) (illegible)

From this have to be met the following items —

(1) Mayammas pay — Rs 60 + 75 (Please see Note No 73 of File No 17-96)

(2) Increase to certain teachers, recommended in the 2 Dy Chs letter No 9549 dated 26/5/99 — 334 (marked I) (Please see Note No 46 of the Increase File) — 25

(3) Aravindammas pay as recommended in the 2 Dy Chs No 517/26 dt 15-7-99 (File III) Serial No 90 of File No 17-96 — 12

(4) Increases recommended in the 2 Dy Chs No 10/3 dt 3/7/99 (File IV) Serial No 30 of File re increase V — 20

Total Rs 117 minus 132

File II related to certain widows proposed to be employed in other Govt schools at a cost of Rs 140. Further information has been called for & awaited — The amount proposed does not seem adequate to meet the charges in the Maharanis School, as the widows concerned whose scholarships will cease are to be employed as drafted to other schools & not to the Maharanis School. However, as they do, the add'l expenditure proposed say Rs 117 — 132 is well within the savings shown above in (1), (2), (3) & (4) may therefore be sanctioned.

(3) is now out of consideration

Mr Khaitan thanks for your attention

as was sanctioned in order No 12963-64 Ed F 17-96, dated 11th April 1898, she may be appointed as a teacher of Sewing and Knitting in the lower classes of the Maharani Girls' school and that she may be given the pay of Rs 12 saved by the retirement of Ganga Baye

---

With reference to the above has the honor to observe ~~as follows~~ that the savings effected in the Establishment charges of the Maharani Girls school are stated to amount to Rs 194 per mensem ~~as shown by the Commissioner of the Maharani Girls' school in the~~ vide the Commissioner's Proceedings of the 6th May 1899, thus amount to inclusive of Rs 12 the amount saved by the proposed retirement of Ganga Baye and not exclusive of it, as the DGs' letter No 517/26 seems to convey. Out of these savings the following items have to be met –

(a) Mangammahs Pay Rs 60 / rising to Rs 75 per mensem sanctioned in Govt Boo No 14006-7 Ed F 17-96 d 12 6 99

(3) There is apparently some confusion in connection with these proposals and the Inspector General is requested to address separately matters unconnected with the Maharani Girls school and the savings if any as well as the additional cost involved in each proposal should be clearly stated
